### “Everything Changes” (7/14/24)

#### A. JESUS CHANGES EVERYTHING (*Mark 2:18-20*)

1. The practice of fasting
  - a. John’s disciples -
  - b. Pharisees –
2. The question about fasting
3. The corrective answer
  - a. “*the guests*” –
  - b. “*the bridegroom*” –
  - c. “*They cannot*” -
  - d. “*The bridegroom will be taken*” –
  - e. “*on that day they will fast*” –

QUOTE – “The Pharisees promoted a system. Jesus provided salvation. Jesus changes everything.”

- John MacArthur

#### B. OLD AND NEW DON’T MIX (*Mark 2:21-22a*)

1. “*unshrunk cloth on an old garment*” -
2. “*new wine into old wineskins*” –

THE POINT – The legalism of Judaism could not contain the message of salvation of grace. The old is incompatible with the new. When Jesus comes, everything changes.

#### C. YOUR LIFE MUST CHANGE (*Mark 2:22b*)

1. “*He pours new wine into new wineskins*” –

Conclusion –

You hear the phrase “game changer” often. A game-changer is an individual or entity that disrupts the norm, introducing innovative concepts that alter the status quo. Game-changers are the architects of progress, reshaping the world through their vision and determination.

You cannot come to Christ and keep living the same life you lived before Christ. When you become a Christian, you can’t hold on to your old practices and sinful habits without doing serious damage to your life. Your life needs to change. Jesus changes everything. Will you let Him change you?

You cannot come to Christ and keep living the same life you lived before Christ. When you become a Christian, you can’t hold on to your old practices and sinful habits without doing serious damage to your life. Your life needs to change. Jesus changes everything. Will you let Him change you?
